

AT THE HEART OF EDUCATION

EMPOWERING

STUDENTS

TO TAKE OWNERSHIP OF THEIR LEARNING

DATA SHEET

itslearning for *Students*

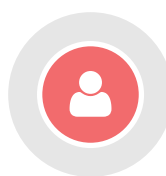

Any learning platform is judged by one question: can students use it to learn successfully?

For itslearning, that answer is a resounding yes. We've designed our platform for the ways that students actually engage with material, and included features that best allow teachers to successfully connect with them. Here are some of the ways we do that:

We give students educational ownership

- Group assignment functionality
- Bulletin and discussion boards
- Instant messaging
- Personalized calendars
- Automatic notifications

We help individualize learning

- Individual learning reports
- Content recommendation engine
- Seamless integration with cloud tools
- Personalized assignments and resources
- Varied assessment types

We improve the learning process

- Sortable gradebook with passback
- Trends and progress report
- Standards-based assessments
- District-wide information sharing
- Update and re-use successful courses

A cloud-based solution

- Native mobile app
- Available on any device
- Access the full range of itslearning features
