Then, click on the assignment below to answer a question about the story you just read.

Responding to Harry the Dirty Dog

Assignment

Directions video 00:15

Using details from the text, will Harry like baths from now on?

Click Answer Assignment below and either type your response, or use the audio recorder in the rich text editor to answer the question.

Answer assignment

Math

Today we will start learning about Measuring with Nonstandard Units.

First, watch this video:

Measuring with Nonstandard Units

Then, click on the image below to practice measuring objects with nonstandard units:

Click and drag the paper clips below to estimate the length of the object.

The object is about paper clips.

check

A blue pencil with an orange eraser and a silver ferrule is lying horizontally on a wooden surface. Below the pencil, several silver paper clips are scattered. A yellow cartoon notepad character with a face and arms is in the top right corner. A red 'check' button is next to a text input field.
